## **Free Masonry And The War: Report Of The Committee Under The Resolutions Of 1862**

To the younger generation of intellectuals, it seemed that meaning had drained out of the objective world, which was now fully determined by scientific laws and administrative systems; they sought it instead in the inner world of the individual subject. If one studies the engravings of Cyrano in the collection of the National Library at Paris<sup>12</sup> with a realistic, rather than a romantic, eye, one will be forced to admit that the nose is ample, perhaps, even compendious, - but it is not immense or monstrous.
