Thyroid Hormone (Vitamins and Hormones)

The Insatiability of Sense. As McGann demonstrated, texts move and morph through various textual instantiations over time and through space; different editions, versions, or manifestations are brought into being through a socially and culturally embedded set of writerly, readerly, and publishing interventions or "conditions."

Thyroid Hormone (Vitamins and Hormones)

The Insatiability of Sense. As McGann demonstrated, texts move and morph through various textual instantiations over time and through space; different editions, versions, or manifestations are brought into being through a socially and culturally embedded set of writerly, readerly, and publishing interventions or "conditions."
