Several of my short stories will appear in various anthologies this year.

Hospice for Our Furry Friends

It then hones and refines that heuristic through increasingly pervasive analytical thinking and enters a long phase in which the administration of business dominates. If you want to find something, try using the search function on your browser for .

A World to Win

The Sins of the Father is the second in his five-book Clifton Chronicles saga. It is painful to read badly written literature so just get it right the first time.

Beyond Reach?

Our tour guide was absolutely excellent - so knowledgeable, and really gave us an insight into Berlin and the people that live. This was that book that someone had left at my house.

Jessie Melville: or, The double sacrifice [by D. Pae]

I love how you recognize your ideas about what being true means.
