The Academy (The Pathways Tree Book 2)

The three fac-similes in question represent equipment which will be and has been found in unnumbered thousands of Egyptian graves The point, then, is that in publishing these fac-similes of Egyptian documents as part of an unique revelation to Abraham, Joseph Smith was attributing to Abraham not three unique documents of which no other copies exist, but was attributing to Abraham a series of documents which were the common property of a whole nation of people who employed them in every human burial, which they prepared James H.
